

Mission

To provide information about soil that is relevant to all land use.

The Australian Soil Club is a national network of land managers and others interested in increasing their knowledge of soils and sustainable management practices. Members have access to the latest information and research into the physical, chemical and biological aspects of soil through workshops, seminars, publications and links to websites. The Australian Soil Club newsletter is produced for members on a bi-monthly basis.

For \$33 per year, including GST, (\$40 for overseas subscribers) you can become a member of the Australian Soil Club by filling out this form and returning it to the:

Australian Soil Club, C/- Professor Lyn Abbott, School of Earth and Geographical Sciences M087, The University of Western Australia, 35 Stirling Highway, Crawley, WA 6009.

For enquiries, please phone: (08) 6488 3827 Fax: (08) 6488 1050 or Email: organic@agric.uwa.edu.au
